## SUMMARY

Aspiring Software Developer with a strong foundation as a Software Engineer and Full Stack Developer, skilled in designing and deploying web applications. Proficient in HTML, CSS, JavaScript, Python, and SQL, with experience in the complete software development lifecycle. Seeking to leverage technical skills and problem-solving abilities to contribute to innovative software solutions.

## SKILLS

- Programming Language: Python, Javascript, HTML, CSS
- Framework: Django, React
- Database: MySQL, SQL
- Cloud and Tools: IBM cloud, Ms office suite, Figma, WordPress
- Methodologies: Agile Methodology, SDLC

## PROJECT

### *Face Recognition Attendance System*

*Jan 2024 – Mar 2024*

- Developed a real-time, contactless attendance system using OpenCV and deep learning.
- Integrated with SQL for secure storage and management of user and attendance data.
- Built an admin dashboard for easy record monitoring.

### *Super app Integrated Multiple apps*

*Jun 2023 - Aug 2023*

- Created a unified platform integrating multiple web apps with single sign-on (SSO).
- Employed modular design for efficient performance and maintenance.
- Ensured consistent UI/UX across all modules.

## CERTIFICATIONS

- Full Stack with Python Course: GUVI
- Introduction to Cloud: IBM
- Machine Learning with Application to Object Recognition: NM

## EDUCATION

### **M.A.M School of Engineering**

**Oct 2020 - Jul 2024**

*B.E, Computer Science And Engineering*

Achievements: 82%

## EXPERIENCE

### **GAOTek Inc.,**

**Location:** Remote | **Dates:** Dec 2024 – Present

*Technical Support & Multi-Team Contributor*

**Key Responsibilities & Contributions:**

- **Technical Support:** Resolved customer hardware and software issues, provided remote troubleshooting, and ensured timely follow-up to enhance user satisfaction.
- **Sales Team:** Assisted in preparing quotations, responding to client inquiries, and following up on leads to close B2B sales.
- **China Team:** Collaborated with Mandarin-speaking colleagues and suppliers for sourcing and product management specific to Chinese markets.
- **Business Development:** Supported lead generation, partnership outreach, and contributed to market research for global expansion.
- **Sourcing Team:** Identified and evaluated suppliers, requested quotes, and managed procurement documentation for tech equipment.
- **WordPress Team:** Helped update and manage GAOTek websites using WordPress; ensured proper formatting, SEO-friendly content, and plugin integration.
- **Sanitization Team:** Reviewed and cleaned product data and documents to maintain consistency, clarity, and accuracy across platforms.
- **Website Content Development:** Wrote and edited technical product descriptions, service pages, and marketing content for web publication.

#### **Achievements:**

- Successfully coordinated with cross-functional global teams under tight deadlines.
- Contributed to the enhancement of over 100 product pages and improved search visibility.
- Played a key role in the accuracy and professionalism of GAOTek's client-facing documents and websites.
